

Executive Summary:

Focusing marketing spend on Segment A and nurturing Segment B can improve overall revenue efficiency by approximately 15–25%, while reducing waste from low-value customers.

Business Actions & Revenue Impact:

Segment A (High-Value Customers)
Action: Retain & reward (loyalty offers, early access)
Goal: Increase repeat purchases
Impact: Protects highest revenue customers

Segment B (Medium-Value Customers)
Action: Upsell & remarket
Goal: Convert to Segment A
Impact: Revenue growth without new acquisition cost

Segment C (Low-Value Customers)
Action: Reduce ad spend OR win-back campaign
Goal: Reduce wasted marketing cost
Impact: Improves overall ROI

Segment	Action	Business Goal	
-----	-----	-----	
A	Retain & reward	Maximize lifetime value	
B	Upsell	Convert to high value	
C	Limit spend	Reduce acquisition loss	

These actions provide a clear roadmap for aligning marketing strategy with customer value.
